Dear Friends,

Again! While I am writing this, the outside world is slowly covered by a white blanket, mercifully spreading over the greys and browns of the wintery gloom. The restless mind pauses for a while to gaze on a quietened world; the heart fills with awe and gratitude. A crisp, white winter morning sends the message that this world can be transformed and made clean.

Alas, it is not to last: while car tyres carve ugly lines, and shovels clear away the dangerous obstacle, the world returns swiftly to its normal busy state. Nothing is forever. Echoing Geoff's encouraging words of the January newsletter, I am, too, humming a Carol as a little mantra to help me through the dark times. "In the Bleak Midwinter...." This is probably one of the bleakest midwinters of our generation, and yet, amidst the hostility of a dangerous and difficult world, there is a mother, cradling her new born. Hope.

Walking the wide, white fields of virgin snow, it is not hard to imagine angels thronging the air – a white fluffy purity is swirling around, and it is as if a song of praise is raising to heaven. What can I give Him? I am small and powerless in the vast expanse, and yet, there is what He has granted: life; so there is one thing I can give Him: my heart.

Easy? Yes and no. While the heart seems to expand and overflow in the whiteout, it seems so straightforward to serve and love, but the demands of the world bring it all down with a thud. How can I love my annoying neighbour? How can I serve this endlessly struggling world? How can I keep up the message of hope? I alone cannot. But we are together, as families, as villagers, as people – physically separated by the current rules, and yet closer than ever, thinking more about one another, helping, supporting, and praying. Amazing.

It has been a privilege for me to be in Brancepeth, and I am immensely grateful for your friendship and support. You gave me a vision of what a well-functioning and hopeful community can look like. Be proud of what you have achieved, and keep it going as an example for others! I think Brancepeth has a mission to the wider world.

While a fierce, warm wind of change is melting the snow, snowdrops and crocuses are pushing their leaves through the brown earth, and an intrepid aconite dares to bloom. Change is the lifeblood of creation – let's embrace it, and do our part!

With best wishes for this lovely community,

*Sabine*

## BRANCEPETH ARCHIVES AND HISTORY GROUP ANNUAL GENERAL MEETING 2021

This is to give notice that, due to the Covid-19 regulations, it is not possible at the moment to hold an AGM at which everyone can be present. However, the Committee feel it is important that members receive as much information as possible about the workings of the group over the past year.

The Committee is therefore proposing that the following documents be circulated to all members by e-mail for those with online access and delivery of hard copies to other members: - A report from the Chairman (Geoff Harrison), Annual Accounts for the year ending 31<sup>st</sup> December 2020 and report from the Treasurer (Dave Armstrong). Geoff and Dave will be happy to try to answer any queries/questions about the reports.

It is then proposed that an AGM be arranged as soon as regulations permit such meetings. This will provide a very welcome opportunity for us all to meet together again, to update members in person, discuss and make any important decisions and enjoy a sociable evening as well.

As it has not been possible to offer members any activities or events this year, 2020 membership will be extended to cover the year 2021.

### **ST Brandon's Food Bank Yellow Bin**

While the church is not open for Sunday services the regular donations to the local food bank via our Yellow Bin are not as easy. Please do not forget the people who rely on our generosity and if you drop into church for silent prayer or you are passing with your dog, a donation to the food bank would be greatly valued. Long life milk and fruit juice are especially welcome. Thank you.

### *Brancepeth Leisure and Allotment Gardeners' Club*

At this time of year we are preparing for the 2021 growing season and reviewing plots.

Some people may feel they would like more space and others may want a little less or be unable to continue digging.

If there are any changes to your requirements or you are interested in taking on an allotment for the first time please get in touch with a member of the committee by mid February [baacommittee3@gmail.com](mailto:baacommittee3@gmail.com) (details on the back page of newsletter). Plot changes will be made at the end of February.

Arrangements for the AGM will be dependent on how the Covid restrictions develop, there will be more information next month.

New members are very welcome.

Carole Reed (Secretary)

## **Parish Council update**

Working within the current restrictions the Parish Council continue to meet and progress work for the village. Items of note from the January meeting include;

Many in the village who have served on the Council will know our long standing clerk Geoff Smith. He has been unwell for some time but after a spell in hospital leading up to Christmas is now gradually recovering and keeping safe from covid complications. We have engaged a temporary clerk David Rider who has stood in for Geoff in the past and we are advertising for a new substantive clerk as Geoff has decided to retire and resign from the Council.

The precept. The Parish Council have decided to hold the precept at the previous value, there being no pressing need to either increase nor decrease it. The contribution from each household remains the same.

Road safety remains our primary concern and we are seeking to reinstate the speed watch when covid restrictions allow and the lighter mornings return, perhaps in March or April. In addition we intend to improve the speed signage on

Wolsingham Road, including a white gate like the A690, to discourage excessive speed approaching the village.

As tenants of the field we have to maintain it and cut the grass. Our current contract for this expires in April and we are going out to tender to continue this and facilitate the field activities we are anticipating. This contract also covers mowing some of the verges around the village.

We are grateful to those around the village who already tidy and maintain their frontages. There's a proposal to build on this and undertake a village tidy day at some point when restrictions lift.

The Parish Council see it as part of their role to support village activities such as the allotments. However we have given notice to the Allotment tenants that the rents, that are low and have remained static for many years, are to be raised by a modest amount. Part of our responsibility in the Allotments and on the field is the safety and health of the trees. A survey of these is nearing conclusion and some have noticed blue splodges applied to some trees. This is not an indicator of any future action but was a marker used by the inspector to show those that he had covered. A full report will be available soon and no doubt some remedial action will be needed.

The next Parish Council meeting is Monday February 15<sup>th</sup> at 7:30pm. All residents are welcome to attend what will be a virtual on-line meeting. Dial in details are available through the clerk via our website.

Dave Armstrong (chair)
