Dear Readers,

By the time you read this one of us in our house will have celebrated two birthdays in lockdown. Not so for the other, who had an excellent restaurant meal and a night away last year and is on course for the same again in 2021. Where's the justice in that? And, as I am the one complaining, you can guess which of us I am. But the good news is that my kind friend said birthdays in lockdown don't count, so I'm actually two years younger than I thought!

Someone once said that celebration and laughter are two of the richest gifts in life. Putting aside laughter for another day, why does celebration matter?

Why do we need to do this? Why do we need to celebrate? Why do we recognise that some days are more special and need to be marked out? What is celebration for? To celebrate means to stop and reflect, to commemorate, to remember, to acknowledge, to honour. And usually it is something that we try to do with others, with family and friends: with others who matter in our lives.

I wonder what you have been celebrating. As I write this, people are celebrating the green shoots of the end of lockdown. Celebrating being able to meet up with family and with friends, even if it can only be outside. And, as the trees start to turn green and we see colours popping up in our gardens and on the byways, we are celebrating the arrival of spring.

Celebration has always been an important part of the Christian tradition. Two thousand years ago Jesus celebrated what we now call the Last Supper with his friends. He knew he was on a course that would lead to his death but he shared a meal and broke bread and drank wine with his friends. He asked them to do this regularly in order to remember him. Two thousand years later we still meet together as Christ's body to share bread and wine together as we celebrate the Eucharist.

Just as my birthdays have had to be different it hasn't stopped them happening. I haven't stopped getting older. I haven't stopped having birthdays. It hasn't stopped them being celebrations. They have just been different. I have discovered that a takeaway and a glass of champagne at my kitchen table can be special. I discovered that being in lockdown meant more people than usual got in touch and I have been especially touched by that.

So with our church celebrations. They haven't stopped. They too have also just been different. We haven't been able to meet in our beautiful church and to share bread and wine together. Like many others, I have been grateful for the technology and for those who know how to use it that has still allowed us to still 'get together' and to celebrate that Last Supper each week, even if I have had to do that from my own home. And sometimes those differences give us time and opportunity to grow and reflect and to learn something new and meaningful.

So, I believe celebrations do matter. Whatever you are celebrating, however you are doing it and whoever keeps you company as you do it, keep on celebrating. Don't give up. It's what makes our lives as human beings so special.

CLIMATE ACTION GROUP

At its September 2020 meeting, the PCC decided to establish a Climate Action Group, as a sub-committee of the Fabric and Finance Committee. An invitation to join the group was made via the Newsletter, and the resulting membership is Liam Dietz, Richard Hird, Caroline Middleditch, Geoff Moore, James Morgan and George Rae.

We have focused on two key actions. The first was to sign up to the [A Rocha Eco Church](#) scheme, which then involved completing an extensive survey under five headings: Worship & Teaching; Buildings; Land; Community & Global Engagement; Lifestyle. Having done this, we were eligible for the initial Bronze level of award. A plaque representing this will be put up in Church in due course, and our website now carries the following logo:

We have now reviewed the remainder of the survey where we didn't score so well, and have identified a number of areas where we can make progress. For example, the PCC has agreed that we will move on to a green electricity tariff later this year, once our current contract ends. Another is to encourage car-sharing in general, and specifically when coming to church (recognising that this will be limited currently due to the pandemic). Or why not walk or cycle to church where that's possible? We're going to look at installing cycle racks both for church members and community use.

The second key action was to have an initial environmental survey of the Church, undertaken for us free of charge by Renewable Energy Network, a company with which George Rae is associated. While considering what actions might be appropriate from this, an opportunity arose to engage with a research project on the decarbonisation of churches being run by the Durham Energy Institute, part of Durham University, in association with the Church of England. The Renewable Energy Network is also part of this project, as is the Cathedral, St Nicholas in the Market Place, and St. John's Neville's Cross. The PCC has agreed to our involvement, and while this will likely delay actions until 2022 (when the research project will be complete), it was felt that the more extensive survey and options available to us, and the opportunity to contribute to the Church of England's 'net-zero by 2030' commitment, that would arise from the project, were well worth the delay.

Finally, we are planning to hold a Climate Sunday service in the autumn, joining other churches around the country in doing this in the run up to the COP26 meeting taking place in Glasgow in November. We're also planning to make this a 'Climate Weekend' with other practical activities. Watch this space!

If you'd like to know more, or have suggestions, or would like to get involved, please get in touch.

Brancepeth Community Association (BCA)
Notice of Annual General Meeting
Wednesday 30th June 2021, 7:30pm Village Hall

Our next AGM will take place on the above date. To receive:

- Annual Financial Accounts
- Election of officers of the BCA (for Chair, Vice-Chair, Secretary, Treasurer & Social Secretary).

Any resolutions to be with the Secretary (Jo Dalton: brancepethca@gmail.com) one week beforehand. All members are very welcome to attend. Several committee members are stepping down this year, having kindly served for many years. As usual, nominations for the BCA management committee will be accepted up to the start of the meeting.

NB: If social distancing rules are still in force at that time, the meeting will take place online (open to all members using a link posted on the BCA website).

Update Annual Subs & Village Hall Reopening Date:

Following our last update in January, membership subscriptions for 2020 will be further extended to the end of June 2021 – covering a period of 18 months. Thereafter, from July 2021, we hope that you will renew your annual membership - at the same membership subscription fee that has been held in place for 12 years.

The four-step roadmap of dates to ease lockdown restrictions announced by Government in late February will enable the Village Hall to reopen **from 17th May** (step 3 in their roadmap, subject to change) for **many of the regular user groups and activities**. Social distancing rules will still need to apply at that time. From the **21st June** (step 4) social distancing rules are expected to be removed and all types of activities and functions can resume. We will provide further information in due course.

Whilst the hall is closed, we continue to use the opportunity to progress repairs and works on the building (including recently installed stage lighting) and look forward to reopening the doors to everyone.

Friends of Brancepeth Cricket Field

Did you know that we are setting up a Village group to develop the Brancepeth Cricket Field as an asset for our community now and hopefully for many years to come?

The use of the area during the lockdowns has been phenomenal with many arranged summer activities, children playing their informal games of football, cricket and rounders, the dog walkers exercising their pets and those who simply sat on the bench watching the clouds drift by.

The group wants to do lots more, however, especially working with the Parish Council and other groups to ensure our historic Cricket Field is used by the villagers both now and in the future.

*For example, we want to celebrate the end of Covid restrictions by holding two events on the field. First, on Monday 21 June 2021, on midsummer's day from 4 pm onwards, we shall hold a **PICNIC ON THE FIELD**, when you can bring a bottle(s) and food and stay for as long as the weather permits. During this event, we shall maintain a moment's silence to remember those we have lost, followed by a minute's applause to thank all those who helped us through.*

*Second, on Saturday 26 June we will organise **FUN IN THE FIELD**, another family event with a Cake Stall, Games and Music. More details to come shortly.*

If you'd like to take part in these events, please just turn up, but also email one of the organisers below with your name and contact details (email and postal address, plus telephone number) which will only be used for this purpose. Also, why not come and join us as a Friend of the Field to help us extend the use of the field as an asset for the whole village.

GARDEN CLUB

Garden Club's AGM will be at the village hall 7.30pm on Friday 25 June. The business part of the evening is to receive the financial accounts and a statement from the Chairman. Then to elect the committee and officers. As is traditional for Garden Club AGMs, this will be followed by a light buffet and refreshments.

J. B. Dickinson.

KNIT AND NATTER.

Small groups - socially distanced - can use the village hall from 17 May. Knit and Natter is just such a group, so will re-commence on Tuesday 25 May 2 pm to 4 pm.

Our next date is May 28th when the book will be 'American Dirt' by Jeanine Cummins. All welcome on Zoom when we hope Val Gibbons will be well enough to host again!

Parish Council Update

Extraordinary meeting 6th April

At the meeting the Parish Council voted unanimously to take up the offered lease from Castle Estates. This is being enacted via our solicitors.

Ordinary meeting 15th April

This was the final meeting of this council who are now all obliged to stand down at the end of their term. None have decided to seek a further term in the next council being formed in May. Three new councillors have been elected unopposed; Mary Coffield, Hassall Balsham and Nick Ellis. The current council are passing on summaries of all the current work projects with relevant contact details etc.

I wish to thank the outgoing Parish Councillors who, often with external challenge and through difficult times, have willingly given their time and worked with integrity for the benefit of the village.

D. Armstrong (BPC chair)

Parish Council News

In a bid to enhance communications with our residents, we have developed a new parish council website and have installed a brand-new noticeboard on the grass verge on Wolsingham Road.

Thanks to a grant of £1,000 from Durham County Council's neighbourhood budget, the noticeboard will be a useful information point for our local community, keeping residents up to date with village news and activities. The parish council felt the notice board was needed to discourage notices being pinned on trees as many of the nails and drawing pins rust over time and are difficult to remove which is damaging for the environment.

The new parish council website is almost completed. It has a whole new look, is user friendly, easy to navigate and is compliant regarding current government accessibility criteria. It will signpost residents to useful information including minutes of meetings and will provide a platform for local residents to engage with the councillors who represent them.

Once fully developed, the website will enable residents to have their say on issues that matter to them, enabling online interaction with the Parish Council. We hope you find it useful.

Sheila Chapman

Brancepeth Parish Council

Volunteers needed in Brancepeth!

This is a call for help from your new Parish Council. If you can give some of your time to our council activities, you could really make a difference to the village. It would give you the chance to use your skills and talents for good, to help others, and to meet more people in the community, as well as working for a cause you believe in, whether that involves making the roads safer, providing more facilities for young people, improving services for older people, or even something else we haven't thought of! Whatever needs changing (or indeed preserving) in Brancepeth, you could be just the person to help.

The Parish Council usually meets in the Village Hall on the first Monday of each month, apart from August. We are keen to establish a collegiate approach where all residents can contribute to planning, be involved in key decision making and be informed about outcomes on a regular basis. So apart from wanting to co-opt new councillors, we are also hoping to establish a network of interested people to advise us, on an informal basis, on specific issues or take part in small working groups.

If you are interested in either being co-opted on to the Parish Council or being part of a wider consultation group on areas of particular interest, please contact us for a chat. There is no specific time limit, but it would help our own planning if you could contact us before 16th May. We look forward to hearing from you.
