We live in extraordinary times. I wonder how often that has not been the case? That history repeats itself is a truism, but it never truly repeats, just contains the same patterns. We live in the new, that is born of the past, and faces the future: we should learn from the past, we should steward the future.

On the 6th February 1952, the 25 year old Princess Elizabeth was not at home to hear her father's last words but I'm certain she would have been familiar with those recorded in scripture that King David shared with his heir, in 970 BCE:

When David's time to die drew near, he charged his son Solomon, saying: "I am about to go the way of all the earth. Be strong, be courageous, and keep the charge of the Lord your God, walking in his ways and keeping his statutes, his commandments, and his testimonies, as it is written in the law of Moses, so that you may prosper in all that you do and wherever you turn. Then the Lord will establish his word that he spoke concerning me: "If your heirs take heed to their way, to walk before me in faithfulness with all their heart and with all their soul, there shall not fail you a successor on the throne of Israel." (*1 Kings 2:1-4*)

King Solomon started well, his wisdom was legendary, and so was his kingdom built on that foundation. However, as age and virility and confidence eroded, so he slipped and fell, selling his kingdom for his vanity. Not so, our Queen, who has carried her authority wisely, who has carried her ageing body with a dignity both humble and regal, who has carried her family through mired times without stain. History was made on the 6th of February this year when Her Majesty The Queen became the first British monarch to celebrate a Platinum Jubilee, seventy years of service to her kingdom, and now we are poised for the official celebrations.

It is our Queen's final act of service to us that she has striven to hold on to her health and life long enough to fulfil the country's party plans, to give one last push of smile and nod and wave in respectful thanks for the collective cheer that will rise.

'Jesus called the twelve and began to send them out two by two' (*Mark 6:7*)

We are designed to live in relationship and to work in partnerships, that was the pattern set by Jesus for his disciples, that is the pattern revealed in God's very nature, akin to Father and Son and Holy Spirit.

God blessed and equipped Elizabeth for her life as monarch through the faithful support and companionship, for over seventy years, of her husband and consort, Philip. Much diminished by this death, it is another mark of her courage that she has borne that loss publicly and bravely, holding to her sense of duty to her people, for her God. We are all blessed by the strength of her faith, whatever our faith or none, because it is this adherence to walking in His ways that has given our country, her kingdom, the stability and riches of one of the wisest monarchs history has supplied. So let's celebrate this extraordinary achievement that has occurred in our time.

This month we welcome among our preachers Revd Oliver Ross, Vicar of Malmesbury and Upper Avon, Wiltshire. Oliver is based at Malmesbury Abbey, whose strapline is *12th Century Beauty, 21st Century Church*: a sentiment we appreciate at St Brandon's! Previously he served in historic and guild churches in the city of London and before that in multi-cultural Hounslow, west London. Oliver has a wealth of experience and particular interests in art history and culture. Do be sure to hear and meet him, either in person or online on **Trinity Sunday 12th, 10.15am at St Brandon's**.

If you would welcome a short time of Christian worship with friends and neighbours, we would love to see you.

You are invited to join us for a small and friendly 'home Eucharist service' in the Castle Chapel.

Update from an ex pat!

Evelyn and I are well settled in to our new home near Barnard Castle. Our son in law runs a farm and has recently created a vegetable garden for me by fencing off part of the paddock next to the farmhouse garden. Here is a picture of the work in progress showing raised beds made out of old tractor tyres in the background. No shortage of helpful garden machinery as you see.

Dave Armstrong, Vivienne Lowe, Peter Storey and Geoff Harrison sitting in the Archive Room in the castle before the opening of the Hannah Hauxwell Exhibition.

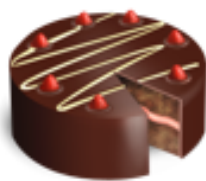

The Exhibition celebrating the Life and Times of Hannah Hauxwell and mounted by the Brancepeth Archives and History Group was a stunning success. With the help of publicity in the Northern Echo, on Tyne Tees Television and other places there were more than 400 visitors to the castle over the weekend. The ITV journalist called Brancepeth `a hidden gem`. And so it is.

The BAHG Committee wish to thank the many group members who helped with stewarding and parking during what was a very busy but very enjoyable event

PARISH COUNCIL NEWS

Our meetings

The Annual, Parish and Ordinary meeting of the Parish Council took place on Wednesday 18th May, with minutes available on the Parish Council website. Our next meeting will be Monday 20th June.

Cricket Field

We are making arrangements for the two self-seeded trees (adjacent to the wall) to be removed to prevent further damage to the structure of the wall.

We are concerned about the costs of grass cutting and would welcome positive suggestions on this issue. In the meantime, we are looking into asking the County Council to take responsibility for cutting the grass verges of the A690 and Wolsingham Road which could lead to a significant reduction in our overall costs.

Please Note: We have received complaints from dog walkers about dog poo being left on the field. Could we please remind all dog owners to remove dog poo and place it in the red bin provided.

New road and speed signs

New blue and yellow signs will be located between the Morley Lane and towards the railway crossing on Wolsingham Road with a white railing fence on the incoming side of the road into Brancepeth. We hope that additional road markings (including two sets of five raised yellow transverse markings across both lanes and a 30mph roundel) along with raised flower beds in front of the new signs will provide visual reminders for motorists to reduce their speed.

Village amenities and services

We are currently exploring the possibility of organising a weekly visit from a Mobile Post Office. If you would like us to pursue this please let us know. There is also a Handyperson service that can be accessed via Age UK on 0800 678 1602 from 08.00 - 19.00, 7 days a week. There is a small charge for this service. Further details are on our Notice Board.

Plant a Tree for the Jubilee

We are continuing to look into possible site/s and how many trees we should plant.

Litter Picking

The new date for the litter pickers is Saturday 18th June. As usual, we will meet at the castle gates and afterwards at the Village Hall for refreshments. Everyone is welcome.

Contact

If you wish to contact the Parish Council about this report or have suggestions for improving the Parish in any way, please contact our clerk (clerk@brancepeth-parish-council.org.uk). Contact details of Councillors are also available in this Parish Magazine and on the PC Noticeboards and website.
