Dear friends,

Music matters! Music therapy is recognised as a powerful tool in aiding mental and physical health; everyday, homespun music is good for us too. From a favourite tune on the radio to the singing of sports fans, the uplifting song of birds heard on a winter's morning or our favourite hymn, music enriches our lives. It's a way in to the adoration and worship which are part of our humanity.

This month at St Brandon's, we'll enjoy our usual varied selection of hymnody each Sunday morning. In addition, Messy Church will be singing, making musical instruments and learning about music in worship, which promises to be a great session! The following week we will enjoy that most beautiful of Anglican services, Choral Evensong, sung by St John's College Chapel Choir. Whether or not you're a church regular, do come and experience the glorious liturgy and music in the stunning setting of St Brandon's.

Choral Evensong is timed to commemorate the priest poet George Herbert (1593-1633), who was also a keen musician and hymn writer. For Herbert, as for many of us, blending words and melody enabled him to express and deepen his faith: we still sing several of his hymns today. As we approach the forty days of Lent, traditionally a time of prayer, fasting and reflection, let's remember these words of George Herbert, or maybe sing them?

*Sev'n whole days, not one in sev'n I will praise thee;
in my heart, though not in heav'n I can raise thee.
small it is in this poor sort to enrol thee:
e'en eternity's too short to extol thee.*

With best wishes,

Anna

St Brandon's Partnership for Missional Church (PMC):

Timeline Event on 7th November 2022

Thank you everyone for your contributions to our timeline event held in church at the start of November. For those who are unaware of the event, it was a chance for people to record their thoughts and memories concentrating on three subheadings, positive events, negative events and hopeful, signs for the future.

There is a lot to cover, and it would take up a few pages to say it all here! We will put a summary in the Church shortly, however, here are three main things we thought stood out across the timeline.

1. Misfortunes - The 1998 fire and 2019-2022 pandemic brought everyone closer together as a worshipping faith community.
2. Energy - The atmosphere of an open, welcoming community, blending beautiful old traditions with innovative change.
3. The body, not the building - Whilst the Church building is inspirational and precious, the body of the Church Community is more than stones and mortar. The combined skills, talents and abilities point to a bright future if we listen, discern, and follow where Christ is leading us.

Do you know anyone who, for any reason, would appreciate a prayer or friendly chat? Please tell Alison Moore of the Prayer Team on 0191 373 5674/07890 733757 or

Salvation Army Christmas Gift Appeal

On 4 December we held our annual collection in support of the Salvation Army Christmas Appeal. Many generous gifts were brought forward and placed around the Altar during the service.

Yet more donations including money were delivered throughout the day making it a challenge to fit everything into the car!

On 6 December the gifts were delivered to the Salvation Army Church in Langley Moor which Lieutenant Ali Brookes and her team were delighted to receive. Ali asked that her appreciation was shared with all who supported the Appeal.

Well done everyone and thank you for sharing the joy of Christmas with those in need. Janette

Book Club

Friday 3 March. We will meet at Audrey and Dick Dumbledon's house, 19 St Monica Grove, 7.30 p.m. when we will discuss "Clochemerle" by Gabriel Chevalier. A satire written and set (in a French village) during 1920s, it's different from anything we've done before. I'm looking forward to it.

All welcome.

PARISH COUNCIL NEWS

The last meeting of the Parish Council took place on Monday 16th January 2023. The next meeting will be on Monday 20th February at 7:30 in the Village Hall.

Budget

We are pleased to announce that a draft budget for 2023-24 has been agreed and that there will be no increase in the precept for the coming year.

Cricket Field Survey

We would like to thank all those residents who took part in the cricket field survey where 40% of residents returned questionnaires to us. This is a very good response rate for a survey of this kind and even higher than the last local elections and previous parish surveys.

The majority of respondents made purchase of the field as their first preference (61.2%) with 65.4% of respondents putting obtaining a new lease for the field as their second choice. A minority of respondents (10.5%) were in favour of letting the field revert to Castle Estates.

There was majority support for designating the cricket field as a Local Green Space (84.9% in favour) and registering the cricket field as an Asset to the Community (89.4% in favour). The Parish Council has already started the process of applying to register the field as an Asset to the Community.

We would like to thank those residents who added comments about what they liked about the field and how it could be improved. We also noted people's concerns and the less favourable comments relating to maintaining access to the field. These concerns, even though they were expressed by only a small minority of respondents, will be taken into account as we explore in more detail how we might achieve residents' wishes. An Open Meeting will be held to discuss our options in more detail once we have obtained more information about costs and procedures involved in meeting residents' wishes.

Parish Council Vacancy

The PC agreed to co-opt Mike Lowe on to the PC. Many residents will know Mike who has lived in the village for over 40 years. Now retired, he was a local government officer for Durham County Council for many years and has acted as both Parish Clerk and Parish Councillor in the past. We look forward to welcoming him to our next meeting.

Brancepeth in Bloom

Plans are in place to apply for the Northumbria in Bloom competition. We hope that this will provide an opportunity for residents young and old to join together make Brancepeth an even more attractive place to live and work. More information to follow.
