

SUMMARY OF COMMITTEES AND TEAMS

Last updated: February 2023. Approved by PCC: March 2023

Note: 'Reports to' indicates the relationship between various Committees and Teams and is not meant to be taken in too formal a sense. All Committees and Teams are expected to be largely autonomous, deciding on the frequency of meetings (where necessary) that they require to conduct their business, able to make decisions and carry on their business without referral to their parent body. However, it is important to define these reporting relationships so that when upward referral or downward delegation is necessary the route is clear.
