Alison Hobbs writes:

It's a hard life being a film star – not! But it has been – and continues to be – full of new perspectives and unexpected comments. I'm referring to the currently running series on Channel 4 More, '*Saving Country Houses*', in which Brancepeth Castle features as one of nine 'houses'. Presenter, Penelope Keith is passionate about what owners actually **do** in the current climate to keep these historic buildings running. I was keen for us to take part as I wanted to celebrate exactly that.

The first episode went out on 13th January, perhaps you are one of those who watched? If so, did you notice how we were introduced to the audience? Not as the latest heir to an ancestral home but an extended/extensive family that incorporates a raft of others who call this 'home' whether or not they live here. The film crew realised we are best described as 'community' because each time they came to film, more new faces arrived to participate, obliging them to limit the number of people featured and avoid complete confusion!

Identifying us as community gave me the confidence that they were seeing and tracking what is at the heart of how we work, how we manage at all. There is something intangible that attracts people to this building (or like marmite, can do the opposite) and creates a warmth and loyalty that never ceases to amaze and humble me. Thank you, if you are amongst that number. Thank you, if you are among the many in the village who support the activities in so many ways, who regard the castle with pride and affection.

Communities and community spirit are increasingly important as society slides ever more towards the virtual and isolation. They represent sharing and belonging, and we all benefit from this.

NEW YEAR CHEESE AND CHAT raised £363.00 which is more than twice last year's donations. It is shared equally between the Children's Society, and Ripple Effect (which used to be known as 'Send a Cow', resourcing and skilling African farmers), each has received £181.50.

Thank you to all who came, and for the lively conversations – the room was buzzing!

"The Quaker dominance over the Stockton & Darlington Railway and

He lived in the former mine manager's house for Brancepeth Colliery in Willington for 50 years so is very well acquainted with this area and the local mines. The history of the involvement of the Quaker families in the development of the railway is a fascinating one.

Prayer Space February 2026

The hardest weather can occur in February according to statistics.

Pray for those most affected:

- Those in poor, inadequate housing and the homeless.
- Those obliged to travel or work outdoors notwithstanding, and the fearful of venturing out.

The first snowdrops blossom, and aconites sprinkle sunshine yellow.

- Pray that the small signs of spring and recovery will bring hope and cheer.
- For farmers that growing conditions are good for crops and livestock.

Lent starts mid-way through February, and statistics have shown a big upsurge in bible sales.

- Pray for all denominations of church, world-wide and locally, to be reaching new Christians.
- For our Lent groups, preaching, and individual disciplines that we grow nearer to our Lord.

PARISH COUNCIL NEWS

Budget and precept for 2026-27

The PC meeting in January confirmed that, following changes in the Local Council Tax Reduction Scheme made by the DCC, plus our wish to maintain support for initiatives like Beautiful Brancepeth and the BCA, the local precept will be raised by 5.1%. While we were able to keep the rise to zero last year, there was a need to set a new budget this time, including an ongoing commitment to donate to the running of the Village Hall which is facing ever-increasing costs. Full details of the budget will be available on the PC website.

Village noticeboard

Our splendid noticeboard on Wolsingham Road is feeling rather neglected! Now that we've removed posters from the run-up to Christmas, there is space available for any organisation who wants to publicise forthcoming events. We can't guarantee that we can accommodate everything, but if you have an occasion (and/or an ongoing calendar of events) that you wish to promote then please provide an A4 poster to Nick Ellis at 24 Goodwell Lea and we'll endeavour to get them put up for you. Once we've located the key to the Village Hall noticeboard, we shall update that too!

State of the village

There are several things to report here:

First, although the improvements to the A690 in Meadowfield and Willington over the next few months are not scheduled to include Brancepeth, thanks to the efforts of County Co. Emma Hunt on our behalf the state of the road through our parish is now 'on the agenda' at DCC. We've got no dates for when any work may take place, but we hope to see some improvements in the road surface this year.

Second, something else that our Clerk has taken up with DCC is the growth of the trees around the streetlights next to the bus stops. Residents have reported that bus drivers often can't see them waiting due to the lights being obscured, so we anticipate some trimming soon.

Third, there are still reports about dog mess along Wolsingham Road. DCC say that they can come out to clean up and even patrol to look out for repeat offenders (the owners, not the dogs!) but only if people report incidents via the DCC website whenever they find accumulations of mess, or even see the perpetrators (the dogs in this case and not the owners!) in action.

Parish council membership

There remains a vacancy on the PC. If you are interested in contributing to your community, and want to get involved in some local decision making, please do not hesitate to contact our Clerk or have a chat with any of the current councillors or, indeed, pop down to the next PC meeting.

Date of next Parish Council meeting:

Our next meeting is scheduled to take place on **Monday 16th February 2026** at 7:30 pm in the Village Hall. Members of the public are very welcome to attend but it would be helpful if you could let our Clerk know in advance so we can manage seating: clerk@brancepeth-parish-council.org.uk

Thanks to our Carol Singers and their supporters

Many thanks to all who contributed towards the 2025 village carol-singing, whether by singing, opening your door, offering hospitality or making a donation - in some cases all four. Particular thanks to the bucket-holders, Paul, Emily, Isaac, John Luke, Margaret and Eli, for their energy and stamina: they must have covered nearly twice the ground the rest of us did, with all the running around. In all, we raised £645, so the Langley Moor Salvation Army and the Red Cross Disaster Fund will each receive £322.50.

We received this response from the British Red Cross:

‘Thank you so much for supporting our Disaster Fund with a gift of £322.50.

By donating to this vital fund, you’re supporting our immediate response when disaster strikes and our teams leap into action – whether that’s overseas or here in the UK. With you behind us, we can help people recover from crisis and prepare for whatever the future holds.’

And this from; Captain Ali Brooks – Corps Officer

The Salvation Army Langley Moor – Family Church Centre

‘I hope that you had a blessed Christmas. I just wanted to drop you a line to say thank you so much for the generous donation of £322.50 from Brancepeth Community Carol Singers. Please pass on my thanks to all concerned. Without donations from such as yourselves, we would be unable to help so many families at Christmas time. This year we assisted nearly 500 children and young people. Thank you once again for all your help.

God Bless.’

Book Club

On February 20th at 7.30 p.m. Dick and Audrey Dumbledon will host us at 19 St Monica Grove DH1 4AS when we will discuss, “What you are looking for is in the library”, by Michiko Aoyama.

Then, on Friday 27th March, we will meet at Sue Morgan’s home, Peppermires, at 7.30 p.m. The book is, “Persuasion”, by Jane Austen. If you have a suggestion for the April meeting, please bring it along.

All welcome, Val Gibbons.
