Dear Friends,

Many of us were able to be at the installation of Rick Simpson as Bishop of Durham in Durham Cathedral on 7th June. It was a wonderful occasion not least because we know him, and Brancepeth was a fairly lengthy (11 years) and important part of his earlier ministry which helped prepare him for this new role (or, at least, we like to think so).

And, as I write, we look forward to welcoming Rick back to St Brandon's on 30th June as he officiates at the Collation and Induction of Revd Dr Ros Lane as our new Rector. A double welcome!

Looking beyond that and to the future, I was struck by many things in Rick's installation sermon, but particularly these words:

"I do not know if the Holy Spirit will move afresh powerfully here in our Diocese, taking what we can offer and using that to enable people to find life-changing, meaning-making, purpose-giving, community-building faith afresh. But I do ask God every day to do that.

And he continued with a phrase that he used many times:

"I will walk with you ... confident that Christ is with us."

But then he issued a request and a challenge:

"Would you join me every day asking the Holy Spirit to renew us?"

That seems to me both a very scary prayer to pray (what if the Holy Spirit did?!), and yet also a very appropriate prayer to pray every day as Rick begins his ministry of walking with us across the Diocese, and as we welcome Ros to walk with us at the start of her ministry here.

With my best wishes

Geoff

PARISH COUNCIL NEWS

State of the Village

The Beautiful Brancepeth working group was pleased to note that the latest Village Tidy exercise was a great success. There was an excellent attendance from volunteers across the parish to whom we are very grateful. Happily, less litter than usual needed to be collected, leaving folk free to engage in more focused weeding and tidying of green spaces, as well as the repainting of a further bench. Our efforts included the clearance of a great deal of ivy and other growth from the stone walls at the crossroads heading down the A690 towards Willington. This has improved the appearance of the site as well as enhancing visibility for road safety.

Our Clerk reported an impressively prompt response from the County Council to a request from a resident to cut the long grass outside the Forge along the A690. We are still liaising with the DCC about looking after the unsightly patch of land opposite the car park on Wolsingham Road. Similarly, we are chasing up with the County Council and Castle Estates regarding the repair of the castle gate posts and the castle road. The latter has been reported by residents as quite dangerous due to the alarming state of the potholes.

Neighbourhood Plan

We are pleased to report that the examination process for our submitted plan looks like it soon will reach a conclusion. The Examiner has visited the parish and raised a host of queries about the details of the plan to which the PC and the County Council have now responded. Only one local stakeholder has raised any objections, but we are confident that we have addressed these within our responses. We were delighted to see that the DCC believes that the NP is in general conformity with the County Durham Plan and is satisfied that the plan's approach is not in conflict with any strategic policies.

So, subject to the ultimate decision by the Examiner, which is likely to include the need for us to make some relatively small amendments to the

text of the plan, we hope that it will be approved over the summer. We can then move onto a referendum. As always, we will keep you posted.

Local Roadworks

The County Council have provided an update to our Clerk regarding the works to signalise the junction of St John's Road and the A690 in Meadowfield. Now that the utility diversions required are complete, construction works have commenced. Temporary traffic lights will probably be in operation for a further three months (TBC) to facilitate the works. In addition, the DCC inform us that a new 'pop-up' Park and Ride facility will be introduced within the existing Meadowfield Leisure Centre car park. This will make use of dedicated existing parking bays, allowing users to park free of charge and get the bus from nearby bus stops into Durham City. Works will also include resurfacing adjacent footways and the replacement of bus shelters.

Date of next Parish Council meeting

Our next meeting is scheduled to take place on **Monday 20th July 2026** at 7:30 pm in the Village Hall. Members of the public are very welcome to attend but it would be helpful if you could let our Clerk know in advance so we can manage seating: clerk@brancepeth-parish-council.org.uk

Brancepeth Garden Club: Stockley Farm Garden Walkabout

Friday 3rd July 6pm

SOLD OUT!

National Open Gardens Scheme

On Saturday 20th June the village once again opened its gardens to the public in aid of The National Garden Scheme, a charity which raises millions for the benefit of cancer and hospice charities amongst many similar good causes. A cause closer to home is the support of the Village Hall and over 250 visitors that day contributed over £1000 net for our VH. The whole village looked beautiful and the 10 private gardens, the allotments and the Church yard are a credit to the dedicated gardeners who look after them. The plants supplied for the hospice stall raised £250.00. They were delighted.

The catering team organised by Jo Dalton and Josie Armstrong worked all day serving drinks and feeding the visitors with donated cakes and sandwiches. The whole event was a great team effort involving many people working together. We are so lucky to have so many willing volunteers here and the Castle owners who provided parking.

Alison Young

And the clear up effort beforehand!

A good number of villagers turned out on Saturday 13th June to further enhance the Beautiful Brancepeth project. The main exercise was a start on ivy clearing from the estate wall alongside the A690. The intention is that, if the wall is visible, it makes approaching traffic aware that a village is being entered and hopefully makes drivers more observant of the speed limit. The task proved harder than anticipated but a good start was achieved. But, aside from this, many thanks to the litter pickers, bench painters and general clearer-uppers who all did their part to keep Brancepeth beautiful. Everyone's efforts are appreciated.

Help us to “re-illuminate” our church.

We need to raise a substantial sum of money to have the lighting system repaired and the bulbs changed to be more sustainable.

After special services there are a lot of leftover candles which cannot be reused and it is a shame to throw them away. We have melted, cleaned and remoulded the wax into these candles.

By purchasing one of these candles made from the wax you can help us to reach our goal more quickly.

Small candle £2.00

Medium candle £4.00

Large candle £6.00

Many thanks for your support.

Brancepeth Youth Club

July 2026

The Youth Club is an Open Club run by the Church, and all young people in the Village (and beyond, and their friends) are warmly welcome. The age range is from 11 to 17 years inclusive.

We meet fortnightly in the Village Hall on Sundays at 6.00-7.30pm. The dates for the rest of this term are:

July 5, 19 – BBQ in the Castle grounds

For the BBQ there will be a charge of £2 per person. Youth Club members are very welcome to bring a friend, but we will need a signed consent form in advance or on the night.

Leaders

Geoff Moore 07854 696664 durmoores@btinternet.com

Martin Peacock 07503 242074

Do you have any unwanted left over currency?

Mary's Meals currently works in 16 of the world's poorest countries, feeding over 3 million young children, one good meal every day in their place of education. They are asking you to donate any left-over foreign currency or obsolete UK currency that you may have lying around. Just bring any foreign or old coins/notes to Church. (Labelled envelopes will be provided near the door for you to post through the "Donations" slot). The Church will pass them on to the charity. The money raised from this initiative will help Mary's Meals to bring hope to desperately hungry children across the globe. Every 10p is enough to provide a hungry child with a nutritious meal in school. Mary's Meals would like to thank you for your support and prayers.

Colin Waterman

Book Club

In July Peter and Evelyn Aitken will host us on Friday 17th at Raygill Farm, Lartington, Barnard Castle DL12 9DG. We will meet a little earlier than usual at 6 p.m. and will discuss Conclave by Robert Harris.

On 11 September we will visit Nick and Dawn Ellis's home, 24 Goodwell Lea at 7.30pm. We'll be reading, 'Butter', by Asako Yuzuki, a story based on a serial murder case involving home cooking!

Val Gibbons

Bulb Appeal

St Brandon's needs your help!

If you have been in recently, you may have noticed problems with our lighting: blown bulbs, switches that don't work, lights that couldn't be dimmed during the carol service, lights above the altar that we can't turn on at all.

We are in the midst of repairs, but we still have a way to go, and these repairs are costing us upward of £5,000. And, as with all aspects of the upkeep of St Brandon's, the only money we have to spend is the money we raise ourselves.

We are entirely reliant upon local generosity.

We need working lights to keep St Brandon's open - not just for regular services, but for festivals, for weddings and funerals, and for concerts and village events.

If you can help, **£30 will cover the cost of replacing one bulb** (that's the cost of a single bulb, plus a portion of the associated labour and equipment costs). £60 will cover two; £150 five...

You can donate online by going to
<https://givealittle.co/c/stbrandonslighting>,
or you can find out about other ways to donate at
<https://stbrandon.org.uk/give/>

If you want more information about the project,
please contact Mike Higton on mike.higton@durham.ac.uk

The New Church Gates

After having been stored in the Rectory stables for some years the church gates were taken to the workshop of Keith Harrison. Keith originally trained at Harrison and Harrison as an Organ builder. During his time with them Keith was tasked with working on many fine instruments around the country including the refurbishment of the Organ Console at Westminster Abbey. Throughout his work on the gates Keith's dedication and generosity with both his time and skills has meant labour costs were kept low.

The high quality of the materials used in new gates should ensure their longevity. The project has been made possible by the financial support of the Brancepeth Archives and History Group for which the St Brandon's is truly grateful.

Come and join in the fun

Sunday 12th July

3-5pm in church
